

**Replacement UV lamps for Agfa printers**

TCS Technologies manufactures a complete line of replacement UV curing lamps for use in Agfa printers. We offer a cost effective alternative to OEM product providing high UV output, USA manufacture and predictable life. Our lamps are 100% compatible with Agfa OEM product at a fraction of the cost. We manufacture what we sell.

We update our Agfa UV lamp list continuously. Contact TCS Technologies for the latest cross-reference information.

Like most American manufacturers, TCS Technologies enjoys a reputation for getting it right the first time. Lamps are competitively priced, highest quality with little downtime. Our Chinese competitors cannot match that.
