

Replacement lamps for Honle UV systems

A graphic advertisement for TCS Technologies. At the top, the text 'TCS Technologies' is written in a large, bold, white font. Below it, the phrase 'Your best Value' is displayed, with 'Value' enclosed in a glowing white oval that a hand is pointing at. In the bottom left corner, there is a circular logo with 'TCS Technologies' and 'UV Curing Lamps' written inside. To the right of the logo, the text 'In UV curing lamps' is written in a large, white font. The background is dark blue with a hand pointing at a glowing point, suggesting a digital or high-tech environment.

In UV curing lamps

Honle UV curing lamps are incorporated into many high-end wide format and digital flatbed printers. They come in various sizes and spectral fills. Most are metal halide design. Honle makes excellent UV systems. Our lamps offer direct interchange with Honle product without sacrificing performance. We provide second-source replacement lamps for Honle UVAHAND 250, JetCURE and UVAPRINT series UV dryers.

Replacement Honle-style UV curing lamps:
